

ABSTRACT OF THE DISCLOSURE

A positive-working radiation-sensitive composition containing a resin having an acid-decomposing group having a specific acetal structure, and being decomposed by the action of an acid to increase the solubility thereof in an alkali developer; a compound generating an acid by the irradiation of an active light or radiation and contributes to the decomposition reaction of the acid-decomposing group of the resin; a compound generating an acid by the irradiation of an active light or radiation but does not contribute to the decomposition reaction of the acid-decomposing group of the resin; a surface active agent, and a solvent.

DECLARATION AND POWER OF ATTORNEY

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

POSITIVE-WORKING RADIATION-SENSITIVE COMPOSITION

the specification of which is attached hereto unless the following box is checked:

☐ was filed on _____ as United States Application Number or PCT International Application Number _____ and was amended on _____ (if applicable).

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information of which is material to the patentability as defined in 37 CFR § 1.56.

I hereby claim foreign priority benefits under 35 U.S.C. § 119(a)-(d) or § 365(b) of any foreign application(s) for patent or inventor's certificate, or § 365(a) of any PCT International application which designated at least one country other than United States, listed below and have also identified below, by checking the box, any foreign application for patent or inventor's certificate, or PCT International application having a filing date before that of the application on which priority is claimed.
